

LORI NILSON PHOTOGRAPHS

SPORTING EVENTS

Lori Nilson Photographs will be taken pictures for your sporting event. Pictures will be taken on the day that was given to you by your Coach or Boosters unless otherwise stated.

To prepare you for picture day I kindly ask you to be on time and have your order form filled out with exact payment. Please have your child ready prior before having their picture taken. Have their hair done, shoes tied, shirt and shorts on straight, shirt tucked in and laces in side of shorts. Please also discuss if your child should smile or not smile. As a photographer it is my job to capture a nice clear photo. It is also my job when doing sporting events to be prepared on time and to finish on time. As much as I would love to fix and straighten each child to make their picture perfect, time does not permit that for sporting events. So I ask that you have your child prepared as you would like to see them in their picture. In addition, your child can have their own pose. I just ask that you be prepared on how you want to have your child pose when it is their time for me to take the picture. Otherwise, we will just do a normal, easy, standard pose for time purposes.

Lori Nilson Photographs strives to give you a great picture. For some reason if your picture did not come out to my liking or it was blurred or damaged I will contact you or you may contact me and I will retake the picture free of charge and replace what you ordered. No retakes will be done because you are not satisfied with the way your child looks or because they are not smiling.

I look forward to seeing you all on picture day!

Happy Smiles!!
